

Southville Primary School Newsletter

September 17th 2021

 @Southville_Prim

Happy Friday!

It's been another lovely week in school with the children settling in to their new routines and learning well. I really hope your child is feeling happy and settled but if they're not quite there yet, please do chat to their teacher and Learning Support Assistant who will see what more can be done to ease them in.

Covid Measures... Further to previous communications around covid, please can I remind you that if your child is displaying one of the following symptoms...Persistent cough; Raised temperature; Loss or change to smell or taste...You must keep them at home for 10 days or until they have a negative PCR test. A negative lateral flow test is not sufficient to come into school if the symptoms are still present. Thank you for your support with this.

Please rest assured we are continuing to monitor the number of positive PCRs closely, liaising with public health, and have plans in place to adjust our operations for certain year groups if needed. These measures may include minimising mixing between classes and avoiding certain activities for a short period. We will keep you informed.

Meet The Teacher... Is back! We are delighted that we are now able to invite you in to your child's classroom to meet their teacher and to hear about the curriculum and routines they will be enjoying this year. In order to reduce the number of people on site at any one time we are going to stagger the sessions as outlined below. This means those of you with siblings in different year groups will have more than one day to attend but I am sure you will understand our reasons for this in the current climate.

All the meetings will run 3.45 to 4.15 in the classroom and will be on the following days:

Monday 27 th September:	Year 2
Tuesday 28 th September:	Year 3
Wednesday 29 th September:	Year 6 and Year 1
Thursday 30 th September:	Year 4
Friday 1 st October:	Year 5

Please ensure when coming in to the building to join the sessions that you wear a face mask. We will ensure the rooms are ventilated throughout the meeting

Join Our Team... We are currently advertising for a School Administrator to oversee the admin team's work across both sites. It is a permanent position, term time only and a great opportunity to join a brilliant team. Please click on the link for more info, or phone to speak to Savi Flaecher. <https://www.eteach.com/job/school-administrator-1171835>

Well done Luke... In the summer term, year 3 were set homework to design a garden that would be great for pollinators. It was linked to a competition that BBC Radio 2 were running called the Big Bee Challenge and they wanted children to include flowers, plants, bee hotels, water stations and places for people to sit as the winning garden would be built next to a NHS Hospital Trust in Doncaster. This week we heard that out of 13,000 children, Luke was chosen as one of the 20 finalists! You can see the top 20 designs [here](#). We are all

Times Tables Rock Stars and Numbots...being able to recall key number facts and times tables is **so important!** It makes it far quicker and easier for children to work out maths problems in their heads. It also frees up children's working memory when being introduced to new mathematical concepts which aids their understanding. We strongly encourage your children to go onto Times Tables Rock Stars & Numbots as often as possible to practice. Well done to those of you who have been logging on over the past few weeks, we are very impressed!

Menu changes... You may have heard recently that there is a national shortage of haulage and delivery drivers. Whilst the ingredients used in our kitchens is increasingly locally sourced, the disruption to deliveries may occasionally mean that the meal served differs slightly to that on the menu. The kitchen team will always do their best to offer a closely matched alternative, and all allergies and intolerances will of course still be taken into account.

Thank you in advance for your understanding.

Google Classrooms...

Children will be sent home with their new login details for google classroom next week.

Upper Key Stage 2 - Paddleboarding

34 Upper Key Stage 2 children had a brilliant morning paddleboarding around the Bristol Docks. As well as learning how to stand up and manoeuvre a paddleboard the children carried out a litter pick on the water.

Confidential information...

Please note that the school office team will be updating each child's confidential information form on our school management system. As part of our annual process we will be sending the relevant forms for you to complete and return.

Year Group Updates

Nursery...

The children continue to be absolute super stars playing and developing friendships.

Reception...

Dear Reception Families,

It has been wonderful getting to know your children in small groups this week. We have been really impressed with the smooth start to the school year! Well done to our super Reception children!

Next week we would like for the children to be dropped off at the classroom doors so please try to say your goodbyes before they enter the classroom. The children will start each day by putting their things away and sitting on the carpet together. Please do not hesitate to talk to us if you have any worries.

Please see below our timings for next week:

Week commencing 20th September				
Monday	Tuesday	Wednesday	Thursday	Friday
8.45am - 1pm Children stay for lunch and are picked up at 1pm.	8.45am - 1pm Children stay for lunch and are picked up at 1pm.	8.45am - 1pm Children stay for lunch and are picked up at 1pm.	8.45am - 3.30pm Children have a full day at school.	8.45am - 3.30pm Children have a full day at school.

Baseline Assessments

Your child's teacher will start to carry out the statutory baseline assessment. If you would like more information please visit: <https://www.nfer.ac.uk/for-schools/participate-in-research/information-about-the-reception-baseline-assessment/>

Year 1...

A brilliant week with loads of ARGHHHHHHH-ing. The children's costumes were arrrrrrggggghhhh-mazing
PE kits

On the days the children have PE they can wear their PE kits to school and not change on site.

What a fantastic second week of learning Year 2! Katie Morag really enjoyed reading your amazing letters and loved the questions you asked her.

Thank you for your ongoing support.
Have a lovely weekend! 😊

For our immersive next week (Monday), the children will need an empty egg box and a 2 litre plastic milk bottle to make a woolly mammoth. Spellings and homework for the term will be given out on paper at the end of this week.

Reminder, homework is to be given in on Tuesday and spelling tests are on Friday. The children will bring this home with them today.

Times tables to be practised at home this year are $\times 3$ $\times 4$ and $\times 8$. Please practise these, along with consolidating $\times 2$ $\times 5$ and $\times 10$ from year 2.

Another great week for Year 4! The children are so engaged in our 'All Around Us' (Water) topic — see pictures for a couple of pieces of fabulous homework 👍

Important: Please remember to bring your book and reading record in every day. If you need a new reading record because you have mislaid it then please get a new one from the Myrtle office.

Have a great weekend!
The Y4 team

Year 5...

School camp

More information regarding school camp will be sent over the next few days.

We will be holding a parent meeting nearer to the time - Date TBC

The closing date for final payments is Friday 24th September 2021. If you require an extension to this date please contact the school office, Mrs Mathias or Mr Bowman to make a payment plan. If you do not contact the school this may result in your child being removed from the final residential list

Year 6...

The children continue to conduct themselves extremely well around the site being role models for the younger children.

School camp

More information regarding school camp will be sent over the next few days.

We will be holding a parent meeting nearer to the time - Date TBC

The closing date for final payments is Friday 24th September 2021. If you require an extension to this date please contact the school office, Mrs Mathias or Mr Bowman to make a payment plan. If you do not contact the school this may result in your child being removed from the final residential list

Secondary School places

Please note that the closing date for all Secondary School applications is Friday 22nd October 2021

Open evenings are taking place throughout September across the different schools.

You can through the Bristol City Council website through following this link: [Secondary admissions - bristol.gov.uk](https://www.bristol.gov.uk/secondary-admissions) or visit each secondary schools website for information on how to apply

Topic: PTA Term 1 Meeting

Date: 22nd September, 7 :30pm
