

Year 1: Pesky Pirates

Essential Learning

By the end of this term, you will have learned...

- All about the life of the world's most famous pirate, Blackbeard, who was born in Bristol
- To identify the UK and its countries on a map
- To name and locate the world's 7 continents and 5 oceans (where Blackbeard travelled)
- All about the weather through the year and around the world (as Blackbeard sailed on his adventures)
- How to use simple compass directions and words (to describe where Blackbeard's treasure might be buried on a map)
- How to write a simple rhyming clue (to find the treasure)
- How to draw your own treasure map and write instructions to find the treasure
- How to write senses poem, focusing on what you can see, hear, smell, feel and taste aboard the pirate ship
- To identify and name some materials and carry out a simple test

Key Curriculum Areas: English, Geography, History, Science

Hook Day

We are going to be pirates and go on a treasure hunt so let's put on our hats, grab our telescopes and off we go!

Block 1

- We'll learn all the skills to be great member of the pirate crew.
- We'll write some clues to find the buried treasure and design a pirate ship.

Block 2

- We'll learn the parts of the UK, the names of the 7 continents and 5 oceans, as well as what the weather is like around the world.
- We'll make our own treasure island maps and write instructions to find the buried treasure.

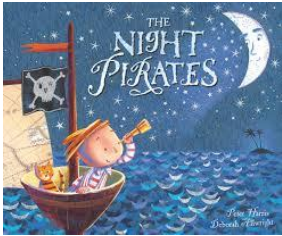

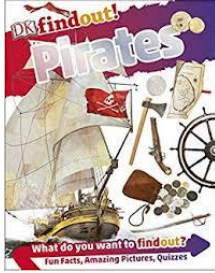

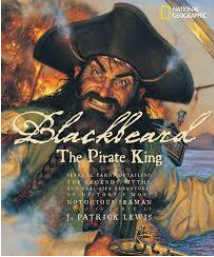

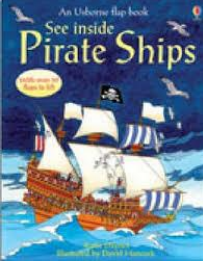

Block 3

- We'll learn about Blackbeard, the famous Bristolian pirate and follow in his footsteps as we sail aboard The Matthew.
- We'll then write a poem about our experience using all our senses.

Year 1: Pesky Pirates/ National Curriculum Links

Science	Geography
<ul style="list-style-type: none"> • (observe changes across the four seasons) • (observe and describe weather associated with the seasons and how day length varies.) • (distinguish between an object and the material from which it is made) • identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock • (describe the simple physical properties of a variety of everyday material)s • (compare and group together a variety of everyday materials on the basis of their simple physical properties.) • To carry out a simple test 	<ul style="list-style-type: none"> • name and locate the world’s 7 continents and 5 oceans • (identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles) • use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage • use simple compass directions (north, south, east and west) and locational and directional language [for example, near and far, left and right], to describe the location of features and routes on a map • use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key
Art	History
