

Year 1: LIFE BELOW WATER

Essential Learning

By the end of this term, you will have learned...

- all about animals and plants that live in water
- the names and locations of the 7 continents and 5 oceans
- how to draw and label sea creatures
- about the environmental problems caused by humans such as plastic pollution
- to design and create an information leaflet
- to describe different physical geographical features

Hook Day

We will visit Bristol Aquarium to look at all the incredible sea creatures there.

Block 1

- We will write a recount of our trip to the aquarium, and draw, label and compare some of the amazing creatures we saw there.

Block 2

- We will research different sea creatures.
- We will find out about the impact of humans on our oceans.
- We will investigate the features of non-fiction texts.

Block 3

- We will read the book 'Flotsam' by David Wiesner and use this and/or other stimuli as a starting point for art work and short pieces of poetry.

Year 1: Life below water / National Curriculum Links
