## Southville Primary School Newsletter

### Happy Friday!

**Term 6...** We are looking forward to another enjoyable and busy Southville term and here are some of the things that will be coming up in the coming weeks:

- Launching our new school values
- Letting you (and your child) know their teacher for next year
- Transition work, including 'move up' day for the children and visits to Myrtle for our current Year 2s

- End of year performances for Years 2 and 6
- Welcome meetings for next year's Reception and Nursery families
- End of year reports
- Saying goodbye to our year 6 leavers

We will continue to try to strike that balance of keeping you informed whilst not overwhelming you with information so we will continue to make this newsletter the main source of information as much as possible.

Thank you in advance for your patience as we re-establish and remodel the routines for this final leg of the year.

**Suncream and Sunhats...** Just a polite reminder that children should come to school with suncream already applied please, and a suitable (and named) hat is also a great idea. It's a beautiful sunny day today and fingers crossed it continues!

**Sporting Superstars...** WELL DONE to the children in years 4, 5 and 6 who represented the school so brilliantly just before the holiday. Full details are on the next page but they continue to make us very proud with their teamwork, personal determination and positive attitude.

Thanks as always to Mr Goddard and the staff who make these events such a success!

Have a lovely weekend, Andy Bowman

## Sporting Success...

Apologies for the lateness of this news but the end of term was an extremely busy period in terms of sporting events at Southville, leaving Mr Goddard a little exhausted.

On the Wednesday, after school, Southville entered a team of Yr5/6 pupils into the Quadkids Athletics Event. We competed against 12 other schools from South Bristol in running, jumping and throwing events. Although competing individually the pupils each scored points for each event which then went towards a team total. Southville ended up finishing in 3<sup>rd</sup> place, earning the bronze medal. All the children were a credit to the school. A special mention must go out to Edie in year 5, who managed to score the 2<sup>nd</sup> highest points total for an individual over all the events.

On the Thursday, Southville took 2 squads of Yr6 girls to a whole day's cricket festival. Despite many of the girls having never played a competitive cricket match before, they all soon picked it up and were experts by the end of the day. The development of all the girls was incredible. It was great to see how well the girls managed with learning new skills and putting them into game situations. A massive thanks goes out to Mr Suanes & Mrs Giles for helping out.

Finally, after school on Thursday, a team of Yr4 boys were invited to participate in a Bristol Schools FA competition. Again, the team were an absolute credit to the school, showing great sporting qualities throughout. Having managed to win their group undefeated, they went straight through to the final against West Town Lane. The teams couldn't be separated when the final whistle was blown. After extra-time, the teams were still level. So onto the dreaded penalties we went. Unfortunately, like England before us, we lost out. However, the bravery of those boys who stepped up to take a penalty was second to none.

After reflecting upon what the team had achieved, winning the silver medal having not lost a game or even conceding a goal, the team came away with smiles on their faces and medals around their necks. A massive thanks goes out to all the parents that came along to support the team.

## **Jewellery**

On both sites we have noticed a growing number of children wearing necklaces to school. Please can we remind all parents that necklaces should not be worn in school as part of our uniform policy. We would also like to remind all the children with ear piercings that only stud earrings must be worn in school and during PE sessions these should either be taken out or taped over on the grounds of Health and Safety.

## **Bike ability**

Well done to all the children who took part in Bike ability Level 1 training this week. The training was targeted at our children in Year 4 with the extra places being taken up by children in Year 5. The office team did a fantastic job juggling a number of different children ensuring we filled every slot, and more! This was after a very tight turn around due to Mr Potter booking the sessions a while ago then forgetting to set a reminder...silly me!! Thank you for everyone's patience. For the children that missed out on this training I will be in contact with the providers to see if we can book an extra session in Term 1 if possible.

Year 6 children have the opportunity to complete Bike ability Level 2 training at the beginning of July. This will cost £10 per person. Keep an eye out for the letter next week

## **Safeguarding and Mental Health - Young Carer**

Definition of a young carer: Young carers are children and young people aged 18 and under who provide care to someone in their family who has a disability, a long term illness, or is affected by mental ill health or substance misuse. Young carers have to take on caring responsibilities, both practical and emotional, that would normally be expected of an adult.

We understand that within our Southville Primary School family we may have children who are carrying out these important family roles. Where possible we would like to support the children and their families

The following websites provide more information - [Young carers - bristol.gov.uk](http://www.bristol.gov.uk/young-carers)

### [Young carers - bristol.gov.uk](http://www.bristol.gov.uk/young-carers)

You might look after someone because they're: disabled; have a long-term illness; have problems with drugs or alcohol; finding it hard to cope with being a parent or carer

[www.bristol.gov.uk](http://www.bristol.gov.uk)

[About our charity](#) | [Carers Support Centre](#)

## **We are changing the way we report head bumps**

Don't forget, we have changed the way we notify about head bumps. As of this week, we will no longer phone parents/careers when a child has a bump on the head, instead we are going to send you a text message informing you of

Low risk head bump - no wound/lump

The message will be: *Your child has had a head bump and has been seen by a qualified first aider. They are well and will be monitored for the rest of the day.*

Medium risk head bump - wound/lump, child presenting as well and coherent

The message will be: *Your child has had a head bump and has been seen by a qualified first aider. There is a wound/lump, but they are well and will be monitored for the rest of the day.*

**For all other head bumps we will continue to contact you by phone.**

## **Special Educational Needs and Disabilities consultation...**

The government published the SEND Review: Right support, right place, right time, on 29<sup>th</sup> March 2022. This sets out our proposals for a SEND and alternative provision system that offers children and young people the opportunity to thrive, with access to the right support, in the right place, and at the right time, so they can fulfil their potential and lead happy, healthy and productive adult lives.

This consultation is open to anyone with interested in SEND and AP systems, [follow this link](#) to view

## **Safeguarding and Mental Health**

Can you help Catherine Moody raise £3000 to Support the enrichment fund for Southville Primary School. Please donate to their JustGiving Crowdfunding Page:

## Safeguarding and Mental Health cont....

Do you live in Bristol, North Somerset or South Gloucestershire and is your child on the waitlist for a diagnosis for Autism?

Bristol, North Somerset and South Glos (BNSSG) Parent Carer Forums have joined together to provide and host a range of online information sessions and face-to-face workshops delivered by a SEND professional and an experienced SEND parent carer.

These sessions will provide tips on recognising needs together with practical ways to help your child. Even if your child does not receive a diagnosis of autism following assessment, the strategies you learn in this course are likely to still prove helpful.

Please click below to book:

<https://www.eventbrite.co.uk/o/bristol-n-somerset-and-s-glos-parent-carer-forums-41027867683>

To keep up to date with all the courses from Bristol, North Somerset and South Glos Parent Carer Forums, please click "follow" on the Eventbrite page.

# An Introduction to Autism in Children and Young People

  
**IN  
PERSON  
TRAINING**

**Four new workshops available in June/July  
2022 for parents/carers of children awaiting  
an autism assessment**

# Coffee Morning

We would like to invite you to our summer term coffee mornings, every Friday 9:15 – 10:15am,

You may or may not have concerns regarding your child's transition into their next year group. You may have a question you need answering, or you might just like to meet other parents/carers. I (Paula Mathias) and Catherine Moody will be here every week to help.

## Francophone days

Next Thursday and Friday are French days in KS2. We will be learning about countries around the world where French is spoken.

We will be celebrating with a West African drumming workshop for all KS2 children and a performance for the KS1 children. Come join in the fun and watch the children at Myrtle on Friday. See the parent letter on Pupil Asset.

## ***LETS RAISE SOME DOUGH...***

Please help us raise some money for our year 6 leavers party!

On Friday 17th June we will be selling Krispy kreme doughnuts for £1 on both sites, please note these are made on the premises where nuts are.

Come find us after school! This is a cash only event

From Year 6 parents and carers

## OPAL play

Looking through the **OPAL window** into our playground. What can you see?

## **OPAL Play**

The children continue to make some epic dens on both sites. They are really beginning to use their imagination making them bigger and better.

Scarves came out this week on our Merrywood dance floor. The children twirled and whirled for the whole playtime. They have now extended their play using them for cloaks.

On Myrtle the children continue to develop all kinds of dens and play structures. It has been fantastic to see their team work and enjoyment.

## **OPAL donations**

We always need top ups of things. We love natural resources but if you have any old floaty scarves that you no longer need then I'm sure our Myrtle site would love them.

Mr Potter

***Kids Club are offering a new Mad Science Club at Merrywood for the whole of Term 6 starting next Wednesday. This is a taster club for this term, and if this attracts sufficient interest, we will make it a regular from September 2022. Please see attached flyer for more information on booking and contact details.***

## Year Group Updates

### Nursery...

It has been really lovely to see our smiley Seahorse friends again this week. Everyone has been bursting to tell each other about all the adventures they have had during the week off. So we have really enjoyed the small group times where we have been able to share our interesting tales and news -and listen to our friends too.

We have also been practising some more mark making and learning some new games to play with our friends outside. Anyone for a bit of 'stuck in the mud'?!

We continue to follow the children's interests for lots of plans and play during the day. A few things that we have done this week are: making dens for hedgehogs, role playing lifeguards, bug hunting, making crowns and a whole lot more... we do have a lot of fun!

## Pre-school places available

**Are you looking for a nursery /pre-school place,  
we have 2 places available for September 2022 start.**

**If you are looking for 15 hours a week**

**Wednesday – Friday, please email  
[merrywood.southvillep@bristol-schools.uk](mailto:merrywood.southvillep@bristol-schools.uk)**

### Reception

Dear Families,

This term our topic is Story Time. Within this topic we will be exploring well-loved, classic tales using the Talk for Writing approach to develop the children as readers, writers, speakers and listeners.

We will immerse ourselves in each story, learning it off-by-heart by hearing it, saying it, playing it, dramatising it and drawing it.

Learning a story in this way helps the children to have an awareness of how stories are structured and build their confidence to write their own.

In these first two weeks we are reading 'The Little Red Hen'. Perhaps the children have already learnt the story well enough this week to tell you it at home!

## Reception cont..

Each week our children will be accessing resources from our continuous provision. Here are our specific focuses for the next week:

<b><u>Area of Learning</u></b>	<b><u>Week beginning 13.06.22</u></b>
<b>Personal, Social and Emotional Development (PSED)</b>	<ul style="list-style-type: none"><li>• Zones of Regulation</li><li>• I can name some things I can do and some food I can eat to be healthy.</li></ul>
<b>Communication and Language</b>	<ul style="list-style-type: none"><li>• Show and Tell - Mondays</li><li>• Dramatising the focus story</li></ul>
<b>Physical Development</b>	<ul style="list-style-type: none"><li>• PE - preparation for Sports Day (29th June)</li></ul>
<b>Literacy</b>	<ul style="list-style-type: none"><li>• Focus story - The Little Red Hen</li><li>• Phonics - CVCC words with short vowels</li><li>• Reading Practice Sessions</li><li>• Writing - Retelling The Little Red Hen</li></ul>
<b>Mathematics</b>	<ul style="list-style-type: none"><li>• Sharing and grouping</li></ul>
<b>Understanding the World</b>	<ul style="list-style-type: none"><li>• RE - why are some stories special?</li><li>• Forest School - Friday 17th June - Starfish Class</li><li>• Exploring The Little Red Hen story setting - where food comes from, farm animals and jobs on a farm</li></ul>
<b>Expressive Arts and Design</b>	<ul style="list-style-type: none"><li>• Music - singing (Charanga scheme)</li><li>• Stick puppets</li><li>• Story maps</li><li>• Collage</li></ul>

## Forest school.

For our last forest school session this year we are very excited to tell you that we are going to go on a Teddy bear's picnic!

### **We would like you to bring a teddy to forest school to join in the fun!**

Please make sure your teddy is small enough to fit in your bag and be aware that they might get a bit mucky playing in the forest!

Starfish 17<sup>th</sup> June

Jellyfish 24<sup>th</sup> June

Octopus 1<sup>st</sup> July

## **Year 1**

Well done Year 1 for a super first week back!

In PSHE this term our topic is 'Changing me'. We will be thinking about changes and growth. As part of our lessons the children will be thinking about how they have changed since being a baby. For the **week beginning 20<sup>th</sup> of June could all the children please bring in a photo of themselves as a baby**. This photo will be stuck into their books so needs to be no larger than A5 size please and won't be possible to return home. Many thanks!

## **Forest School**

Bear class will be starting their Forest School sessions on Wednesday 15<sup>th</sup> June. Please ensure that you have given consent for your child to attend. Thank you to those who have volunteered to help out for the three sessions. We now have enough helpers for 22<sup>nd</sup> and 27<sup>th</sup> June and need one more helper for next week's session on Wednesday 15<sup>th</sup> June.

## **Reminders**

-Y1 parents and carers are welcome to drop into school between 3:30 and 4pm on Wednesday 22nd June to see the resources that will be used to teach RSE to the Year 1 children in term 6.

- Please ensure your child has a name water bottle in school every day
- Please ensure your child has their reading diary in school every day

## **P.E. days this term:**

Badgers - **Monday** and **Wednesday**

Butterflies - **Wednesday** and **Thursday**

Bears - **Monday** and **Tuesday**

## **Year 2**

A great start to term 6! We have reviewed column addition, started to write our 'Jack and the Beanstalk' narrative and in science planted our very own 'magic' beans!

### **'Changing Me' Module -**

As mentioned in the school's previous newsletter, this term we will be starting our PSHE/Science 'Changing Me' module which will consist of six lessons. Before we start teaching the module, there will be an opportunity to ask questions, see what we will be covering and the resources we will be using. This will be straight after school on Monday the 13th in Fox class. Please use the outside doors to access the classroom.

### **The Bee Musical -**

This term year 2 will be working together to perform our end of KS1 show 'The Bee Musical'. Parts have been decided and will be shared with the class shortly. The children may be given lines and song lyrics to take home and learn. It would be really appreciated if you could help your child with this. A costume list will also be shared shortly. Most children will be asked to provide a bee costume (plain black leggings, plain black top with perhaps yellow tape to make stripes). Show dates to follow.

### **Transition -**

Next week each year 2 class will visit Myrtle for an afternoon, where they will have a tour of the site and read with the year 5 children.

### **Toys -**

We have noticed an increase in the number of toys and fiddle toys being brought to school. This has led to many tears due to lost or broken treasured belongings. Can you please remind your child not to bring any toys into school. Regarding fidget toys, these will need to be approved by the class teacher and SENCO before being recognised as a requirement to support learning in class. If children have 'toy' keychains, please can these stay on bookbags for the entirety of the day.

SATs results: Please note that this information will be contained in the end of year school report.

What a busy week! Thank you for your continued support.

The Year 2 Team

## **Year 3...**

Year 3 have made a great start to their new topic 'Oh Grow up!' and really enjoyed their wow day, especially making the grass heads. Feel free to upload progression photos of the grass heads as they begin to grow.

New homework, spellings and times table grids have been uploaded onto Google Classroom. If you require a printed copy, please ask your class teacher.

PE days:

Honeybees – Wednesday and Thursday

Herons – Tuesday and Wednesday

Hedgehogs – Tuesday and Wednesday

### Year 5...

Monday 13th June will be the last date for Y5 swimming this year. Thank you to everyone who has volunteered to walk with the children to/from the pool - we couldn't do it without you and really appreciate your help.

All children in Year 5 now have outdoor PE lessons with Bristol Sport on Tuesdays, so need to come to school in their **outdoor PE kits every Tuesday**. As it is getting hotter, it may be advisable for the children to bring a sunhat and to put on sun cream before coming into school.

From Monday 20<sup>th</sup> June until the end of term, please can all Y5 children wear an **indoor PE kit on Mondays**.

### Year 6...

Year six swimming lessons will be taking place this term, to cover the lessons lost through covid in term 1 and 2.

Lessons will be on Monday mornings and will take place from Monday 20<sup>th</sup> June.

Please make sure that your child does not dress wearing long shorts, as this is not accepted swimwear for the pool. Also, please ensure that your child comes to school with a hairband if they have long hair. These are part of the swimming pool's risk assessment criteria.

Best wishes.

The Year 6 Team

## **Sports Days Volunteering:**

The PTA will be providing ice pops, fruit, and drinks during the upcoming Sports Days as a treat for all the children. We will need volunteers to sign up to help:

<https://www.pta-events.co.uk/southvilleprimarypta/>

Please sign up via PTA Events, under 'My Account', then 'Volunteer'.

Thank you in advance for your help.

## **Lost Property:**

The lost property boxes will next be emptied on **Friday 17th June**, please check the boxes for any items before this date. We will return all labeled items to the office for redistribution. Unlabelled items will be kept for non uniform sales.

**The next PTA meeting will be held at Myrtle Site Tuesday 21st June 7.30pm**

## 2 week Summer School Programme at Bristol Old Vic

Join us this August for an imaginative and fun two-week summer school for three different age groups. This course will hone your theatre making and performance skills.

All groups will work on the same stimulus, to create an end of project performance where groups are parts of the same jigsaw. You will work with a theatre maker as well as movement, sound and design specialists, in this exciting and innovative summer project. The summer school will culminate in a sharing on Friday 5th August at Bristol Old Vic.

### Young Company Summer School 2022

**Dates:** Monday 25th July to Friday 5th August (excluding Saturday 30th and Sunday 31st July)

**Price:** £200 per participant

**Times:** 10am–3pm every day

**Venue:** Bristol Old Vic

Baking  
Drinks

Dear Friends,

We are incredibly excited to be sharing Where Worlds Meet on Friday 17th and Saturday 18th June at Trinity Academy School, BS7 9BY.

RISE currently runs a Level 3 Extended Diploma in Dance in partnership with BSA Dance. This show is the group's end of year show which will showcase both Year 1 and Year 2 students.

### **'Where Worlds Meet' brings together different energies and cultures.**

We create together, we move together, we grow together.

Each choreographer has worked with rhythm, emotion and structure to give these dancers very different experiences and which represents a different element of the world in which we live.

Choreographers: Victoria Shulungu, Tesleem Adeyemi, Chevon Edwards, Julia Thorneycroft and Helen Wilson.

It will be amazing to see young people supporting other young people of Bristol and feel inspired to dance and to move and to maybe join this course in the future.

Attached is a poster for the event and below is a ticket link. If at all possible, please share this with students, staff, friends and families.

<https://www.eventbrite.co.uk/e/bsa-dance-present-where-worlds-meet-tickets-339004761367>

If you have any questions about the performance or the Diploma itself, please get in touch or visit our website for more information.

Windrush Day

# 'The Pioneers' Book Launch

**WED 22 JUNE**

**1 – 3pm**

**St Pauls Learning  
Centre**

**Grosvenor Rd**

**Bristol BS2 8XJ**

**All welcome  
and it's free!**

**The Real Photography Company invite you to our  
special book launch with Deputy Mayor Asher Craig to  
celebrate Windrush Day 2022**

The Pioneers is a beautiful photo-book combining portraits of the Windrush Elders in Bristol by photographer Garfield McKenzie with life stories and reminiscences collected by Wendy Leocque. We will give away free copies to local schools, libraries and community groups.

Enjoy delicious food from Glen's Kitchen and a live performance by Bristol Reggae Orchestra, including a special track commissioned by the Real Photography Company featuring Windrush Elders talking about their experiences plus original music. This will be released as a free download on Windrush Day. An abridged version is currently available on YouTube [here](#). Supported by Bristol City Council and the Windrush Fund.

**RSVP to:** [Realphotographycompany@gmail.com](mailto:Realphotographycompany@gmail.com)

**FFI:** [Realphotographycompany.co.uk](http://Realphotographycompany.co.uk)

**Featuring a live  
performance  
from**

**BRISTOL  
REGGAE  
ORCHESTRA**
