Southville Primary School Newsletter

Happy Friday!

It has been a GLORIOUS week at Southville with sunshine, drumming, road trips (by the year 2 to Myrtle!), really explosive science, clean air assemblies, stunning artwork, amazing maths, imaginative play and much more. Please join us on twitter (@southville_prim) for a regular window into our school. Even if we are the only account you follow, we'll make it worth your while, I promise!

Here are some of this week's Twitter highlights...

Francophone Days... This week, the children have been learning about countries where French is spoken and a highlight of this was a visit from Oumar, a French speaker from Senegal, West Africa. The picture above shows Oumar leading leading a Djembe drumming assembly for our Key Stage 1 children and he also led some fantastic Djembe drumming workshops for Key Stage 2. By leading the sessions in French it gave the children lots of opportunity to practice listening to and speaking French as well as learning about Djembe drumming and raising the roof! Thank you to Madame Turvey for organising the Francophone days.

School Values... I am very much looking forward to Monday, when I will be sharing our new school values with the children. I will be in touch with you soon afterwards to share the values and to outline a little more about how they will help and guide us in the future.

Have a lovely weekend, Andy Bowman

Climate Action: Clean Air Day!

This week we promoted and celebrated Clean Air Day. Parent expert Mrs Girnary spoke to KS1 and KS2 about air pollution and then later in the week Prof Harrison, from the University of Bristol, delivered a 'gases in the air' presentation to KS2. Both were highly informative and very engaging. Thank you to the **Southville Climate Action** group for helping to source these brilliant speakers.

It would be great if you could chat to your child about what they have learned this week! For more info about Clean Air Day, follow the link:

Ignite Sports Festival on Sunday 10th July 10-2.30

St Pauls Community Sports Academy Newfoundland Rd, St Paul's, Bristol BS2 9NH

The Multi-Sport Festival is bringing together lots of different organisations and providers to showcase what disability inclusive sport and physical activity is available. They are all part of the Ignite Bristol Network which aims to give greater choice, quality and accessibility of opportunities for disabled Bristolians to be active.

22 local clubs will be delivering different sports/activities through the day. These will be done in 3 ways:

- **Structured Bookable Sessions:** You can select which sessions you'd like to take part in when registering. These are group sessions (10-20 people) and unless specified are open to all ages. There are limited spaces available so make sure you book quickly and please let us know if you are no longer able to attend.
- **Drop In Sessions:** You can take part at any time and don't need to book. These will be either done individually or in smaller groups. Drop In Sessions are open to all family members to take part in.
- **Stalls:** Have a chat with coaches and volunteers from the clubs to find out more.

This is a link to the registration form, and there's a link to the info pack too: <https://form.jotform.com/221572198348362>

Who can I speak to if I have any questions? Please contact Lizzie if you have any questions about the event at lizzie.edgecombe@accesssport.co.uk.

Our amazing Catherine Moody, Paula Mathias, Emily Poole and Amy Charnock are walking or running the Cotswold Way Challenge of 52Km, to raise money for our school, so we can have an enrichment fund. This fund will be able to support families to pay for trips, camp, afterschool clubs, sports equipment and much more.

Please, please, please help them reach their target of £2000. This will make a huge difference to these children.

Please follow the link below to donate and leave a message of support for our very own Southville Stars.

Do you live in Bristol, North Somerset or South Gloucestershire and is your child on the waitlist for a diagnosis for Autism?

Bristol, North Somerset and South Glos (BNSSG) Parent Carer Forums have joined together to provide and host a range of online information sessions and face-to-face workshops delivered by a SEND professional and an experienced SEND parent carer.

These sessions will provide tips on recognising needs together with practical ways to help your child. Even if your child does not receive a diagnosis of autism following assessment, the strategies you learn in this course are likely to still prove helpful.

Four new workshops available in June/July 2022 for parents/carers of children awaiting an autism assessment

Coffee Morning

We would like to invite you to our summer term coffee mornings, every Friday 9:15 – 10:15am

You may or may not have concerns regarding your child's transition into their next year group. You may have a question you need answering, or you might just like to meet other parents/carers. I (Paula Mathias) and Catherine Moody will be here every week to help.

OPAL play

The children continue to make some epic dens on both sites. They are really beginning to use their imagination making them bigger and better.

Dens and moving balls from one place to another have been the games of choice this week.

Amazing play and resilience this week with a lot of tinkering to get structures right

OPAL donations

We always need top ups of things. We love natural resources but if you have any old floaty scarves that you no longer need then I'm sure our Myrtle site would love them.

School Kitchen Corner

Chicken curry

The chicken and veggie curry are extremely popular at Southville school. This week we served nearly 200 portions.

Have a go at making it at home. You can also use butternut squash or Quorn as an alternative to meat.

Serves – 5 portions

Ingredients

560g Diced Chicken
1g Chilli Powder
2g Ground Turmeric
2g Ground Coriander
2g Ground Cumin
2g Paprika
2g Ground Ginger
15ml vegetable oil
15g Garlic Puree
200g Diced Onion
125g Diced Mixed Peppers
250g Chopped Tomatoes
6g vegetables stock powder
10ml Lemon Juice
350ml Water
70g Tomato Puree
150g plain long-life yogurt
Seasoning (to taste)

Method

1. Marinade the chicken overnight in the spices.
2. Lightly sauté the chicken in a little oil
3. Add the garlic and cook for a few minutes
4. Add the Diced onions and Peppers to the mix
5. Cook until the onions are tender
6. Add the chopped tomatoes, vegetable stock, lemon juice, water, and tomato puree - stir well
7. Simmer for approx. 30 minutes, until the chicken is cooked through.
8. Add the natural yogurt, stir well and season to taste and serve.

Year Group Updates

Nursery...

It's been another busy week of fun at Nursery! We have been enjoying getting outdoors in the beautiful sunshine and playing together; from digging for dinosaur bones, making water slides from the guttering, making dens and shady homes, to football and shadow chasing, we've been having lots of fun!

Now the hot weather is upon us, please can we ask that children have:

- A water bottle
- Sun hat
- Pre applied sun lotion
- And don't forget that spare change of clothes! There are lots of muddy and wet children from all the water play!

This week in group times we have been: practising and perfecting our name writing, sounding and blending cvc words e.g c-a-t = cat, f-o-x=fox, and using our Numicon to investigate number: counting holes, making number lines, adding pieces together etc.

What busy little bees!

Reception

Dear Families,

This term our topic is Story Time. Within this topic we will be exploring well-loved, classic tales using the Talk for Writing approach to develop the children as readers, writers, speakers and listeners. We will immerse ourselves in each story, learning it off-by-heart by hearing it, saying it, playing it, dramatising it and drawing it. Learning a story in this way helps the children to have an awareness of how stories are structured and build their confidence to write their own. This week our focus story is 'We're Going on a Bear Hunt' by Michael Rosen.

Reception cont..

Each week our children will be accessing resources from our continuous provision. Here are our specific focuses for the next week:

<u>Area of Learning</u>	<u>Week beginning 20.06.22</u>
Personal, Social and Emotional Development (PSED)	<ul style="list-style-type: none">• Zones of Regulation• I understand that we all grow from babies to adults
Communication and Language	<ul style="list-style-type: none">• Show and Tell - Mondays
Physical Development	<ul style="list-style-type: none">• PE - Preparation for Sports Day (29th June)• Dance - The Gingerbread Man
Literacy	<ul style="list-style-type: none">• Focus story - We're Going on a Bear Hunt• Phonics - CCVCC and CCCVCC words• Reading Practice Sessions• Writing - learning the story and story maps
Mathematics	<ul style="list-style-type: none">• Odds and evens
Understanding the World	<ul style="list-style-type: none">• RE - Why are some stories special?• Forest School - Friday 24th June - Jellyfish Class
Expressive Arts and Design	<ul style="list-style-type: none">• Music - singing (Charanga scheme)• Paper plate bears• Character stick puppets / masks• Story scene craft

Dance

This week we are delighted to welcome Natalie Ridgeon, who will be doing a dance lesson with each of the classes. Please send the children in to school wearing their PE kits on the following days:

Jellyfish - Tuesday

Starfish - Thursday

Octopus - Friday

Sharing books

Please could you have a look at home for any sharing books that belong to the school and return them. We are finding ourselves with not enough to go around each week - a lot of these are also new and need to be put back into the library once we are finished with them. Thank you.

Starfish Class

We will be changing the reading books on Tuesdays for the rest of the term.

Class photographs

We will be having our class photographs on Wednesday 22nd June. Please can Jellyfish class wear school uniform rather than PE kit on this day only.

Year 1

This week

Another brilliant week Year 1 well done! We have been working really hard making beautiful African silhouettes this week!

Parent visitors

Our topic this term is 'Awesome Africa'. If any parents/carers would like to come in and talk to the children about a country they know well in Africa or about an experience on safari that would be amazing. Please contact your child's class teacher.

Homework project

For week beginning 27th June the children will need to have researched an African country. It would be brilliant if they could find out about the climate, what the country looks like and any other interesting facts such as wildlife. The children we'll share their research with their class during this week in a speaking and listening lesson. Many thanks for your support.

Reminder also to bring in a baby photo for week beginning 20th June (next week)

Forest School

Bear class had lots of fun in the forest this week! They made 'journey sticks', leaf prints and also engaged enthusiastically in den building, role play and making homes for animals. Their next session will be on Wednesday 22nd June. Please can the children bring a change of shoes so that they can remove their shoes after the session. This helps us to prevent the coach and the classroom from becoming dirty. Many thanks, Miss Hayes.

General reminders

Now that the weather is warmer, please ensure your child has:-

- a sun hat
- a named water bottle
- sun cream applied before school.

Thank you

Please don't park on the zigzags to drop off your child as it may result in an incident, please find an alternative place to park.

Year 2

Year two have had a lovely week. We have continued writing our 'Jack and the Beanstalk' narrative, practised column subtraction, taken part in French Day and started practising our performance!

The Bee Musical Dates

Parents and carers are invited to watch the performance on either:

- Wed 13th July - 5pm - Evening performance (Children to return to school by 4.40pm)
- Thurs 14th July - 2pm - Afternoon performance

Tickets are limited to two per child/family. Details of how to book will be shared via email shortly. There will be a limit of 100 seats per performance.

Bee Musical Costumes

Parts have now been decided and lines given to children to practise at home.

Please see the list of costumes below, if you have trouble sourcing them, please let your teacher know.

Please can costumes be brought in on Monday the 11th of July ready for a dress rehearsal.

- **All Bees** (Including Queen, Grumble, Tumble, Jumble, drones, workers, farmer bees etc) - Plain black trousers or leggings with a yellow and black striped top. This could be a plain black top with added yellow tape, painted or material stripes. We have decided for the children not to wear wings. We will add accessories.

- **Mouse** - Mouse costume/ brown clothes, including ears and tail.

- **Flowers** - Plain clothes in your flower colour.

- **Townspeople** - Everyday, casual clothes

- **Newsreaders** - Spectacles and a suit/ shirt and tie/ smart trousers or skirt/ smart dress.

- **Narrators** - Party clothes/ smart clothes of their choice.

- **Mr & Mrs Waxworth and Dennis** - Plain white clothing (we will add beekeeper hats).

Transition

This week each class has enjoyed spending an afternoon at Myrtle with our current year 5s. They had a chance to look around the school site, play in the play area and share books with the older students.

Year 3

Bean and cress seed donation: In science we will be doing an investigation into growing conditions for beans preferably and possibly cress too. If anyone has some bean/cress seeds you are happy to donate, please give them to the class teacher on Monday next week - many thanks. 👍

Hats and water bottles: In PE, Year 3 are currently practising for sports day (Thursday June 30th). It would be really helpful if your child could have a **named hat** and **water bottle** in school please. Many of them have been very hot when practising this week! ☀️

Hedgehog class parents:

1. We are looking for 2 parent volunteers each of the weeks below to accompany the class on their trips to Forest School. You don't have to be able to do all 3, just 1 of the trips would be fine. We will be leaving school at 11.30am sharp and arriving back approx 2.45pm. To date, we have not had any one mention that they are able to come. Please let Miss Thomas/Mrs Hayes know if you are able to or email the school office marked FAO: Mrs Hayes/Miss Thomas-Forest School.

2. If you haven't done so already, please give your consent on pupil asset for your child to go. There is a voluntary contribution of £6.40. If consent is not given, your child will not be able to attend the sessions.

Year 4...

for our Art Trail this year we are creating Natural Bugs out of things you can find outside. We are thinking: Pine cones, sticks, petals, leaves and grass. Start collecting and bringing into class over these next few weeks to use.

Year 4 cont...

Year 5...

Year 5 have had two busy weeks learning about climate change, as well as working hard on a range of assessments. They have completed their swimming lessons and from next week will be having 2 PE sessions in school. They should come to school in PE kit on Mondays and Tuesdays, including hats and sun cream.

Year 6...

Dear Parents and Carers,

Just a reminder that every Monday (from Monday 20th June) year 6 will be swimming. Please make sure that your child brings their swimming kit with them. As previously mentioned, the pool's risk assessment states no long swimming trunks and long hair must be tied back.

Best wishes

The year 6 team

Merrywood - Wednesday 22nd June

Myrtle - Thursday 23rd June

Please can you ensure they come in full school uniform?

Those that have Forest School on Wednesday, please put in a school T-Shirt or Jumper they can wear for the photo.

Those children who have PE on a Thursday, please come into school in uniform and bring your kit in a bag.

Dear friends at Southville Primary School,

I'm Maisie from **Bristol Animal Rescue Centre**. Hopefully by now you'll have received a school's pack from us in the post recently, introducing you to our exciting new interactive trail, **Parker's Adventure**, which takes place this summer in Bristol.

Parker's Adventure runs from 27th June – 31st August 2022 and it's completely FREE to participate, and is the perfect day out for your class. Not only is Parker's Adventure a great learning opportunity for kids of all ages, it's also a great way to get the children out in the sunshine for a fun day out at the end of term. Most of the stops are concentrated around Bristol Harbourside, with all the amenities close by.

We'd love for as many schools as possible to get involved, so please share it with all your children and parents, and bring your classes too if you can. **You can SIGN UP and find more information about the trail at ParkersAdventure.org**

If you have any questions about the trail, feel free to get in touch, my direct contact details are below and I'd be delighted to hear from you.

Looking forward to welcoming you on Parker's Adventure this summer!

Thanks, Maisie

With all best wishes,

Maisie Barrett (she/her)

Centre**

Grosvenor Rd

Bristol BS2 8XJ

**All welcome
and it's free!**

**The Real Photography Company invite you to our
special book launch with Deputy Mayor Asher Craig to
celebrate Windrush Day 2022**

The Pioneers is a beautiful photo-book combining portraits of the Windrush Elders in Bristol by photographer Garfield McKenzie with life stories and reminiscences collected by Wendy Leocque. We will give away free copies to local schools, libraries and community groups.

Enjoy delicious food from Glen's Kitchen and a live performance by Bristol Reggae Orchestra, including a special track commissioned by the Real Photography Company featuring Windrush Elders talking about their experiences plus original music. This will be released as a free download on Windrush Day. An abridged version is currently available on YouTube [here](#). Supported by Bristol City Council and the Windrush Fund.
