Southville Primary School Newsletter

Happy Friday...

On page 2 is the official launch of our **new Southville school values!** This is the culmination of an extensive process which has pulled together your input with that of staff, governors and of course the children. We have gone through several staff and governor 'workshops' and a decisive Key Stage 2 School Council meeting and I am delighted with the set of values we have arrived at. I feel they really capture our school currently, but will also be the drivers for an exciting future.

For each we have captured the breadth of meaning for us at Southville with four key phrases. These will enable us to nurture a shared understanding of the value and will underpin key policies, approaches and decisions in the future.

The elephant in the room... I KNOW that it would have been tidier if all of the values began with the same letter, and they so nearly do! 'Creativity' was a strong contender but from the start we were determined that the four values should be the most pertinent and powerful for our school regardless of whether they began with the same letter, rhymed or formed a useful acronym. I really feel like the ones we have settled upon are exactly the right values for our school and I hope you will see past the narrowly missed uniformity and agree!

Thank you... to our very own Mrs French and her husband Marc who have created the beautiful logos to represent the four values. We will begin to use these on displays, stickers, certificates etc to help us to discuss, celebrate and strengthen these values within all aspects of school life.

Pride Month... As you will be aware, tomorrow (25th) sees the start of Bristol Pride and on Monday we will be celebrating this with assemblies on both sites. Closer to Pride Day on the 9th July, we will be celebrating in school with a rainbow-themed dress-up day and whole school singing. I will confirm the date of this with you very soon.

Myrtle Sweets... We have become aware that some of our older children who walk to and from school have gotten into the habit of buying sweets, typically before school. Some appear to be doing this and not eating breakfast which is a real concern. If you routinely send your child to school with money to do this, please can I respectfully ask you to closely monitor your child's habits? Thank you in advance.

Southville Heroes... Our very own amazing Catherine Moody, Paula Mathias, Emily Poole and Amy Charnock are walking or running the Cotswold Way Challenge of 52Km, to raise money for our school, so we can have an enrichment fund. This fund will be able to support families to pay for trips, camp, afterschool clubs, sports equipment and much more.

Many of you have already donated – thank you so much! If you wish to, please follow the link below to donate and leave a message of support for our very own Southville Stars!

OPAL play

OPAL Play

It has been a hot one this week in the playground. The children on both sites have been taken some time in the shade to just relax. We have also been making some superb dens. Absolutely brilliant play!

OPAL donations

We always need top ups of things. We love natural resources but if you have any old floaty scarves that you no longer need then I'm sure our Myrtle site would love them.

Year Group Updates

Nursery...

This week in Seahorse Class:

Amongst other things we have been making pirate treasure maps, play dough bugs and lots of paper aeroplanes!

In group times, we have been practising to blend simple CVC words and have carried on learning new games to play together; this week we played 'bug in a rug'. We have also been talking together about different emotions/feelings and ways we might deal with them. At this time of year, we are trying to encourage the children's independence and beginning to prepare the children for the changes ahead in the next few months, particularly if they are moving on to Reception.

Reception

Dear Families,

This term our topic is Story Time. Within this topic we will be exploring well-loved, classic tales using the Talk for Writing approach to develop the children as readers, writers, speakers and listeners. We will immerse ourselves in each story, learning it off-by-heart by hearing it, saying it, playing it, dramatising it and drawing it. Learning a story in this way helps the children to have an awareness of how stories are structured and build their confidence to write their own. This week we are continuing to focus on 'We're Going on a Bear Hunt' and will be having a go at writing some of the story.

Each week our children will be accessing resources from our continuous provision. Here are our specific focuses for the next week:

<u>Area of Learning</u>	<u>Week beginning 27.06.22</u>

Year 1

African country research

Please can the children bring their research about an African country to school on Monday and be ready to share it with the class.

Sports Day

Next Wednesday is sports day. Please can your child wear their P.E. kit to school. They need to bring a named water bottle to school and be prepared for the weather - a sun hat and sun cream if it's hot and a raincoat if there's a chance of showers. We will be walking to the field and back.

Forest School

Bear class will have their final Forest School session on Monday 27th June. Thank you to all parents who have volunteered to come along for the three sessions. We have enough parent helpers for the final session.

Please can the children bring a spare pair of shoes to change into after Forest School.

Year 2

We have had a lovely week, practising our 'Bee Musical', looking at 2D and 3D shapes and planning and writing our own versions of the story 'Jack and the Beanstalk'.

Bee Musical

The link to booking tickets has been emailed to you this week. If you have not received this link, please let your teacher know.

In the last newsletter we discussed costumes, however we realised that we missed the 'Introducers/stagehands' (two from each class). These children can also wear a bee costume.

Lesson Timetable

Due to play practise and other school commitments (visitors, sports day etc), we have a lot to squeeze into our school days. Therefore, some weeks some timetabled lessons may not take place. For example, we are likely not to fit in both PE lessons each week.

Ms Charnock is running again!!

Our amazing Catherine Moody, Paula Mathias and Emily Poole are walking the Cotswold Way Challenge of 52KM this weekend, to raise money for our school, so we can have an enrichment fund. This fund will be able to support families to pay for trips, camp, afterschool clubs, sports equipment and much more.

In a change of plans, Ms. Charnock is going to run another ultra marathon on the 9th July in the Chiltern Hills.

Please, please, please help them reach their target of £2000. This will make a huge difference to these children. Please follow the link below to donate and leave a message of support for our very own 'Southville Stars'.

https://www.justgiving.com/crowdfunding/southville-enrichment-fund?utm_id=106&fbclid=IwAR0YMdmYa1RQTf_hOtTHtuJDQIUz2siMRWB46a0i7-7Wxz4u2Hf2vRJMk

Year 3.

Hedgehogs - Forest School

Wednesday 29th June is the first Forest School session for Hedgehogs. Please see the previous letter sent out for specific details. We still need one more parent helper to come with us (11.15am-2.45pm).

Please speak to the office, Mrs Hayes or Miss Thomas if you can help.

Bottles needed please!

Please can you save any 2-litre bottles from your recycling bin for the children to bring in for an art project in week 5. We need as many as possible!

Year 4...

Kiwi Class

We have our final forest school session on Monday. Rain is not forecast at the moment, but this may change over the weekend, so wellies and waterproofs may be required. Please keep an eye on the forecast. If not wet, please ensure your child has applied sunscreen and brings a hat, snack and water.

Year 5...

It has been great to see you getting so involved in your science investigations this week.

In preparation for measurement and Y6, please can the children spend some time on Times Table rockstars to help secure their times table facts (and division facts). Three 10 minutes sessions during the week would be fantastic.

Have a lovely weekend,
The Y5 team

Year 6...

Just a reminder of the diary dates for year 6. The Y6 play, 'Terror at Crumbledown Manner,' will have two performances on Thursday 14th July, One morning show starting at 09:10 and one in the evening beginning at 18.00. This gives parents an opportunity to choose a morning or evening performance, depending on their commitments. For the evening show, children will need to arrive in school at 17.30. Ticket information will be released soon.

Best wishes

Bristol Beacon is proud to present two music summer schools that will be happening in August. We would be grateful if you could pass some of this information onto your parents:

Week 1- 22nd -26th August – Music Factory

For students aged 8 - 13

This summer school will consist of a 5-day program aimed at students who have never played an instrument or who are **beginners (below grade 1)**. The week will allow the students to try out multiple popular music instruments such as keyboard, drums, guitar, singing and rap (amongst others). At the end of the week, there will be a short performance to showcase what your children have learnt! We hope that this week will inspire your children to engage with school music lessons from September.

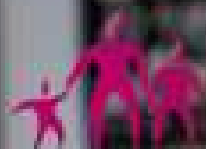

Week 2- 30th- 2nd September – Sound Safari

For students aged 11 - 16

This 4-day programme can either be booked as single days or the full 4 days! Each day will focus on a different genre of music, allowing students to experience a broad range of new musical styles from Latin to folk! This week is aimed at students who are **already playing an instrument and are grade 3+.**
