Happy Friday!

Parent Survey... Last Friday we sent out the link to the Governors' annual parent survey. If you haven't yet completed it, the deadline is today but you still have time! Here is the link again:

<https://forms.gle/PpXPHxCHDjy5TpwY9>

Southville Pride Day... On Friday 15th July, we would like to invite the children to come to school wearing rainbow colours for our own Pride Day. Years 2 to 6 will come together on our Myrtle site in the morning to sing some songs they have been practicing and we will join together to sing 'All you Need is Love'. Year 1 children will be enjoying their African activity day but, along with Nursery and Reception, will take some time out to enjoy a selection of the books we have in school that represent and celebrate LGBTQ+ families.

Bristol Pride is tomorrow and I hope you have a great time if you are going. The weather forecast is looking great and I know lots of our children will be going along to join in the fun.

End of year Reports... Teachers are putting the finishing touches to the reports now, and they will be ready to be sent home to you next week on Thursday 14th July. If you would then like a follow-up conversation with your child's teacher, there will be an informal drop-in session on Wednesday 20th July at the end of the school day.

Have a wonderful weekend, Andy Bowman

Bristol's SEND
Local Offer

SGS Pegasus School, Patchway, Bristol, BS32 4AJ

The Pop Up is split into sessions based on your child's needs, from quieter to more active lively sessions, so your child can experience the benefits of movement and play in an environment that's right for them. Gympanzees sessions are for children and young people (0-25 years) with sensory, physical, learning difficulties, SEN and any mild to profound disability. We will have different rooms for you to explore, with something for everyone! There will be a music room, trampoline room, soft playroom, indoor playground, active and calm sensory rooms, outdoor playground and gym. There will also be a sociable café to meet and chat with others after your session.

Year Group Updates

Nursery...

This week in Nursery we've been enjoying putting our fine motor skills to the test with jewellery making! We've threaded straws, coloured shapes and made beautiful bracelets (commissions are now being taken!).

There's been a big interest in mask making with some very innovative designs and of course lots of lovely outdoor play and large group playground games!

In Group times we have been:

Practising our letter formation and name writing.

Using our memory and number knowledge with numeral and counting pairs game.

Practising our letter recognition with alphabet bingo.

It's going to be a hot one next week, please remember those hats and water bottles!

Reception

Dear Families,

This week we are continuing with our focus story, 'The Very Hungry Caterpillar'. We will also be completing one final phonics assessment with the children before the end of the term.

Each week our children will be accessing resources from our continuous provision. Here are our specific focuses for the next week:

Reports

The children's final reports will be sent home this week on Thursday 14th July. There will be a drop-in session after school the following week should you have any questions for your class teacher about the contents of the report. We will let you know the details of this in next week's newsletter.

Year 1

Africa research homework

Thank you very much for supporting your children with their research about an African country. We really enjoyed listening to the children talk to the class and seeing them learn from each other.

We are looking forward to our African Activity Day on Friday 15th July is African Activity Day.

Reading books

Next week we will be collecting the children's reading and library books so please make sure that all books are returned to school. You will still have access to the e-books - please read over the holidays.

Fruit Donations week beginning 11th July

Also next week, as part of their DT and cooking learning, the children will be tasting a variety of fruit, linked to the story of Handa's Surprise. To enable us to do this, we would be really grateful if the children could bring in some fruit to share with their class. It would be brilliant to have a variety of fruits and some unusual ones would be great. **Please send the fruit in pre-prepared cut into pieces (you may want to do this with your child at home so they can experience cutting the fruit), packed in children's bags, for them to give to their class teacher morning of Tuesday 12th July.** Many thanks!

Reminders

Please make sure your child has a named water bottle in school every day.

Year 2

Year 2 had a 'buzzy' week! We have been revisiting money in maths and practising hard for our end of Y2 show 'The Bee Musical'. We have also been visited by Butterfly Conservation, who talked to each class about butterflies and moths and they even brought in alive species to show!

Transition

On Tuesday, year 2 spent the morning at Myrtle site with their new teachers. They had a fantastic time and we had lots of positive feedback from the children and teachers. The children are 'so excited' to start year 3 in September!

Next week year 2 will be walking up to Myrtle site again to take part in a 'Sing Up' assembly with the whole of KS2.

The Bee Musical

We are all set for our 'Bee Musical' performances on Wednesday and Thursday next week. Can we please remind children to bring in their costumes on Monday (11th) and for parents to make sure they book tickets if they wish to watch the show. We look forward to seeing you!

Year 3.

This week's homework is to collect some natural resources to bring in to school, to make some artwork inspired by Andy Goldsworthy, such as twigs, leaves, stones, flowers. We are also continuing to collect plastic bottles (of any size) for an ongoing art project. Thank you for your support with this.

Year 4.

for our Art Trail this year we are creating Natural Bugs out of things you can find outside. We are thinking: Pine cones, sticks, petals, leaves and grass. Start collecting and bringing into class over these next few weeks to use.

Also:

Please have a look at home for any school reading books that you may have, as we would like to collect them in before the end of term. Please bring them in next week if possible.

All the best,

The Y4 team.

Year 5...

A reminder to please bring back all your school library books; both from the new library and the levelled books before the end of term. It's really important that we get all of them back, so please check your bags, under the bed and on your books shelves.

Year 6...

Just a reminder that the year 6 play is being performed on Thursday 14th (Morning 09.10 and evening 18:00). Please sign and return your child's evening permission slip ASAP. Your child will be given their tickets (2 morning, 2 evening) on return of their signed permission slip.

Thanks

The year 6 team

End of Term Treat

The school has arranged for an end of term treat for all the children which has been paid for by the PTA.

Merrywood site will have a bouncy castle, and Myrtle site will have a mini golf course set up. Both subject to weather!

Thank you for all of your support over this year, it enables us to do these extra things!

This will be on Monday 18th July during the school day.

TEA TOWELS 2022

Thank you to everyone who ordered tea towels; these will be ready by the end of term.

Lost Property:

The lost property boxes will be emptied on a termly basis.

Save the Date:

17th September - Welcome Picnic for New Reception and Pre-school families. Merrywood Site

20th October- Halloween Disco's for Y1-Y6.

PTA Meeting:

The next PTA meeting will be held at Myrtle Site on Thursday 15th September 2022

Bristol Beacon is proud to present two music summer schools that will be happening in August. We would be grateful if you could pass some of this information onto your parents:

Week 1- 22nd -26th August – Music Factory

For students aged 8 - 13

This summer school will consist of a 5-day program aimed at students who have never played an instrument or who are **beginners (below grade 1)**. The week will allow the students to try out multiple popular music instruments such as keyboard, drums, guitar, singing and rap (amongst others). At the end of the week, there will be a short performance to showcase what your children have learnt! We hope that this week will inspire your children to engage with school music lessons from September.

Week 2- 30th - 2nd September – Sound Safari

For students aged 11 - 16

This 4-day programme can either be booked as single days or the full 4 days! Each day will focus on a different genre of music, allowing students to experience a broad range of new musical styles from Latin to folk! This week is aimed at students who are **already playing an instrument and are grade 3+.**

Please email Elizabeth.connell@bristolbeacon.org or chloe.hann@bristolbeacon.org for more details.

Now all they have is each other – and they don't even realise it yet.

Join these mischievous, playful, kindred spirits as they adventure into the wild to escape and discover themselves.

Can they forge a friendship strong enough to survive the perils of the mountain? Could they even find a place to call home?

A story of love and friendship set against the backdrop of snowy mountains and stormy relationships.

A classic family tale, reimagined by two of the South West's strongest co-producing partners, Travelling Light and Bristol Old Vic.

Belle and Sebastien has Relaxed and Signed performances.

PLANET ICE

SHOW & SKATE PRESENTS
A CHRISTMAS CAROL

1ST DECEMBER
7PM MATINEE SHOW

Dear Teacher,

The festive season is coming around quickly and it's that time of year to start considering school trips. Planet Ice are delighted to announce a brand-new spectacular Christmas Show 'A Christmas Carol' for a school-friendly afternoon showing.

Christmas Show Matinees are a great way to celebrate the festive season so get in the Christmas spirit and plan a magical trip for your school.

We are sure your students will love the show and may even be inspired to take up ice skating themselves, so we have reduced matinee prices for all pupils to only £5.00 per person! (School booking rate)

As nobody deserves festive cheer quite like the teaching staff, all teachers go free! We'll also accommodate any special requests as far as we can, so just ask. Don't forget we also do great value for money meal deals!

To enquire further about tickets email: bristol@planet-ice.co.uk or call our reception on 01172 138 134 for more details.

We look forward to hearing from you.

Kind Regards,
Planet Ice
