## Happy Friday!

**Extra Bank Holiday...** Just a reminder that Monday is a Bank Holiday, to mark The Queen's funeral.

**Meet the Teacher Meetings...** Meet the Teacher meetings are next week on Tuesday at Merrywood and Wednesday at Myrtle. The meetings will start at 3.45 to give you sufficient time to pick up at Merrywood before the Myrtle meeting.

**Arts Trail...** We have had lots of lovely comments about the arts trail botanical garden which runs along the fence at Merrywood. The children worked really hard on the variety of creatures and plants and it looks fantastic. Thank you to Miss Greenwood for co-ordinating this wonderful whole-school effort. We are planning on keeping it up for as long as it resists the weather!

**Our School Environment...** This year one of our main school development priorities is strengthening our practice as a caring, inclusive school and we kicked this off by focusing on the environment. Over the holiday we installed acoustic dampening system in the hall which not only looks great, but has made the hall and the connected classrooms too significantly calmer and quieter (see picture below).

We are also developing our nurture spaces in the school. At Merrywood we are using the downstairs of the school house as a designated nurture space (right) and we are developing a similar space at Myrtle. Mrs Fisher and Mr Millard will work from these spaces in their ELSA roles (Emotional Literacy Support Assistant).

**Safety and Well-being...** We have a new section on the website, available from the main menu, which contains the following sections:

- Child protection
- Keeping Our Children Safe
- Mental Well-Being
- Accessing Support
- Zones of Regulation

The 'Accessing Support' section contains a number of links to services, websites and leaflets that may be helpful and we will continue to add to this bank in the coming weeks and months.

Have a great weekend, Andy Bowman

## Safeguarding & Mentoring

### Coffee Morning update

Hope all those who attended last Friday's coffee morning found it helpful, our amazing office staff were able to help a large number of parents with Parentmail issues.

These sessions are there for you to come along with any concerns you'd like to discuss with us, as well as having some outside agencies come in to give you advice and guidance in particular areas.

Each week we will focus on a different area.

**Friday 16th September** - General chat but we will be available to talk about any concerns with Y6 Camp and Secondary School applications (Deadline 22nd October)

**Friday 22nd September**- Secondary school applications

**Friday 30th - NO COFFEE MORNING (CAMP)**

**Friday 7th October** - SEND information morning.

Come along to our SEND Coffee morning hosted in partnership with Bristol Parent Carer Forum where you can find out more information on what support is available locally for your child with special educational needs and disabilities.

**Friday 14th October** - The school nurse will be with us to talk to you about any health concerns for your children.

**Friday 21st October** - A general drop in and chat. This will be the last session for this term.

We look forward to seeing you,

Paula and Catherine.

**Giving hope to grieving children**

Hello,

We are saddened by the news of the death of HRH Queen Elizabeth II and offer our heartfelt condolences to all of the royal family.

These events will no doubt impact many young grieving people.

Winston's Wish will continue to provide advice, support and guidance through our Freephone Helpline, email and text services. Resources and information, including guides on how to support young people and their families through the death of the Queen, will be available on our website and social media accounts over the coming days.

As well as a proud leader we remember Her Royal Highness also as a devoted wife and proud and loving mother, grandmother and great-grandmother. We will forever be grateful for the contribution Her Majesty made to her country.

## **OPAL Play**

This week across the school we have been back enjoying our playground spaces.

### **Merrywood**

This week we have had a huge number of little pirates visiting the site, making boats and getting trapped on tyre islands and holding secret meetings about treasure.

We have also had a wonderful cascading ball run with stoppers poised and ready to fire the balls off...they loved it!

### **Myrtle**

The new Year 3 children have taken up the mantle of master builders on the Myrtle site taking the older children with them on their journey.

I will be meeting with the school council next week to discuss putting in a scooter 'trick zone' on the MUGA playground to mix it up a little.

### **Green spaces across the site**

We continue to look at our whole site and the development of green spaces. If you would like to help the school in any way then please get in touch with Mr Potter. We have a lot of work to do in the Orchard space at Myrtle!!

### **OPAL donations**

We continue to ask for natural wood donations for the children to use and build with. Decking boards, drain pipes are always a favourite. If you also have any dressing up outfits that you no longer want then we would love to have them for our imaginative play.

### **OPAL moving forward**

We are looking in to larger structures across both sites for the children to engage with during their playtimes / lunchtimes. These are currently out to tender with local providers.

# Year Group Updates

## **Nursery**

What a busy and wonderful week we have had in Nursery, the children are settling in beautifully! This first term of Nursery is all about getting to know our new friends, settling into the environment and routines, and of course having lots of fun!

### **Iris Hiccups**

We are so sorry to hear there has been teething problems with the new Iris system. This may have caused a little confusion with the ordering of lunches, especially with lunch options available for Nursery. Just to confirm that in Nursery the children only have a 'hot lunch' (this keeps things simplified for the little ones), please ignore other options available such as cold lunch and jacket potato, as these are not applicable to us. As soon as we're able, we'll have those irrelevant options removed from the system.

### **Family Photo**

You may have spotted our painted tree, in class. This is our 'Family Tree' for children to have a sense of home and belonging in our community. If you are happy to do so, please could you bring in a small family photo to go up on our tree? It will remain on our tree, for your child to look at, if they are missing their family or just wanting to see your lovely faces!

### **Home celebration board**

We are well aware that at this young age, your little ones are learning and developing all the time. Reaching milestones both in school and at home. We want to understand and be part of the bigger picture of your child's development and to value their home achievements as much as their school ones. Within class we have a 'Home Celebration Board'. This is to display and celebrate the children's out of school achievements and things they are proud of e.g a picture they painted at Grandmas, or a photo of their first time on their scooter etc. The children love sharing these with the class, and having them proudly displayed on the wall.

So do feel free to bring in photos or items of achievements and proud moments, we would love to see them, and pop them up on the celebration board.

We can't wait to get stuck back into our playing and fun next week! I wonder what things we'll get up to? Well done Seahorse Superstars!

## **Reception**

Dear Reception Families,

It has been wonderful seeing all the classes together this week! The children have been enjoying making new friends and experiencing lunchtimes at school. Next week we move into full days at school starting Tuesday 20th September - the children will be arriving at 8.45am and going home at 3.30pm. Please note that the Merrywood Road gate will close just before 9am each morning.

Please can we request you return the Learning Journals Consent Form as soon as possible. If you haven't received one or have misplaced it, please drop by the office and we can give you one to complete.

## Reception cont.

Each week the children will be accessing resources from our continuous provision. Here are our specific focuses for this week:

## Additional information

### Coats

We have noticed that there are children coming to school without coats. As the weather is so unpredictable, it is important for them to have a coat in school everyday so that they can still access the outside areas. Thank you for your co-operation with this.

### Labelling clothes

Jumpers can regularly go missing at school, so please ensure that all items of clothing are labelled with your child's name so that we can give their belongings back to them.

### Special photos

We would now like the children's special photos by Wednesday 21st September due to the Bank Holiday. Please pass these directly to your class teacher to ensure they are kept safe for our circle times!

Best wishes,

The Reception Team

## Year 1

Another fantastic week for Year 1. Thank you for all the effort that went into the costumes for 'Pirate Day' - they all looked amazing!

Please can you ensure that your child has their reading records with them every day. We have started Little Wandle reading groups now and the adult working with your child will need to record the book that they are reading in there. Thank you to those parents that have been recording their child's home-reading. Reading at home regularly is probably the most important 'homework' that you can do with your child. You can read their Little Wandle reading book online using the log on details from last year.

Also please can you ensure your child has a water bottle and a coat in school every day, and that everything is clearly named. Thank you.

## Year 2

This week we have started our group reading sessions in year 2. As in year 1, the children move to work with others across the year group who are reading at a similar level, and may therefore not be taught by their class teacher for these sessions. From next week, we will be able to write in your child's reading record which book they have been reading in these sessions, so that they can read it again at home with you. You can access the books here <https://ebooks.collinsopenpage.com/wr/index.html> using your child's login, which we will put in their reading record.

Some children are no longer reading the Big Cat/Little Wandle books and will be reading other texts during their group reading sessions. These children will not have an electronic book to read at home, but you may like to visit the Oxford Owls website for books to supplement those that your child is bringing home. You can browse for titles at the same stage that your child is reading. <https://home.oxfordowl.co.uk/reading/free-ebooks/>

## Year 3

- You should have received an email with details on how to join Google Classrooms using your child's existing login details. Spellings and homework can be found on there each week. Homework can be handed in through Google Classrooms (but on paper is fine if that's easier). Your child will come home today with a paper copy of the spelling list we want them to learn this term. We have assessed them this week to determine which spelling list would be the most beneficial to them. Any questions, please contact the class teacher.
- Visiting the new Myrtle library - We will start visiting the new library over the next few weeks. Each child will have their own barcode and will be able to borrow one book at a time for up to three weeks (they can renew the book to borrow for longer by bringing the book in and scanning it again). There is a great range of books to choose from and we can't wait to see what they choose! Honeybees will visit every Monday, Herons and Hedgehogs every Friday.
- Please can children bring in waterproof coats (or keep one in school) as we're still having lots of surprise downpours!
- If you haven't already, if your child has medication in school could you please come and check that it's in date.

## **Year 4**

### **Reading**

Please ensure that your child brings their school reading book(s) and reading record to school every day. Thank you!

### **Kangaroo Class --- Forest School**

Kangaroo class will be going to Forest School on Wednesday next week (21<sup>st</sup> September), then 28<sup>th</sup> September and 5<sup>th</sup> October.

### **What do we need for Forest School?**

To make this a fun and exciting opportunity for everyone it is vital that we ensure the children have certain equipment every week.

For these sessions all children will need to wear:

- **a labelled pair of waterproof trousers**
- **a labelled waterproof jacket**
- **a labelled pair of gloves**
- **a labelled pair of fleece lined wellies / wellies and thick or multiple pairs of socks**

The woodland will get cold during the Autumnal and Winter months! Dress your child in many base layers and lots of warm clothing. If you are unsure of what to wear, please ask your class teacher. We can always remove clothing if the children are too warm. If your child is not wearing appropriate clothing, they will unfortunately not be able to participate.

Each week the children will need a change of footwear within their Forest school bag so on arrival back to the coach the children will remove their dirty footwear putting on clean shoes to get on to the coach.

We would also like the children to have a labelled set of clothes back at school so they can change in to upon their return if necessary.

**Please ensure that they also have a healthy snack and a water bottle. They will have lunch as normal on arrival back at school.**

***Please refer to the letter sent to parents/carers for further details.***

## **Year 5**

Year 5 children have been given their spelling list for the rest of the term,. Weekly tests on a Friday for Lion and Leopard and Thursday for Lemur. Also, as mentioned before, we will revise times tables each week. Next week 4 times table.

Our new Google Classrooms are now all up and running. Please help your child sign in, with their existing password. If they have forgotten ask your Class teacher for a reminder. Homework has been posted on there for this week and we will continue this Wednesday to Wednesday rota. There are also copies of spellings on there if you lose the sheet.

We will see you back at school on Tuesday. Remember parents/carers are invited to our Meet the Teacher session on Wednesday 3.45 in our rooms.

## Year 5 cont.

Forest School for Lemurs only (Leopard and Lion will be shared soon)

Wednesday 21.09.22

Wednesday 28.09.22

Wednesday 05.10.22

The children will need a water bottle, packed lunch, a change of shoes and a plastic bag for the coach, waterproofs and wellies.

Parent volunteers are needed. Please contact the office to volunteer.

## Year 6

Dear Parents / Carers

Thanks to those who were able to attend the camp meeting last Wednesday. For those who were not able to attend, please check your emails over the weekend for important information with regards to leaving times, travel medication etc.

Best wishes

The Year 6 team
