## Happy Friday!

**Home – School Communication...** As you know, one of our school values is Connection and a key aspect of this is communication. Throughout this year we will be reviewing and evolving how we communicate with you, and you with us and we will give you more information about this in the coming weeks and months.

In the meantime though, we have noticed the following issues for which there are quick fixes:

- 1. EMAILING** – This is a great way to contact us, however to help us respond as quickly as possible, please use the subject box to give us a bit of information. For example, if the subject box makes it clear it is a query about a google classroom password, this is something our admin team could sort for you without it being forwarded to the class teacher. If however if you have addressed it 'FAO...the class teacher' it will be forwarded to them and you may wait longer for a response.
- 2. PICK UP** – If you do need to speak to your child's teacher at the end of the day, please wait until they have finished dismissing the class so they can give their full attention to ensuring children are handed over safely and then give you their full attention.

**Year 6 Campers...** On Monday we waved off two coachloads of year 6 children as they set off for Abernant Lake Hotel in Wales. They have had a fantastic week of adventure, challenges, activity, friendship and fun and you can see some of the highlights in the photos below. I just wanted to thank the staff who have spent the week with them (Mr Millard, Mr Scull, Mr Ellershaw, Ms Poole, Mr Rogers, Mrs Moody, Mrs Mathias and Miss Moore) for giving their time, energy and care to ensure the children have had the best possible time and made so many memories.

Have a lovely weekend, Andy Bowman

## OPAL play

Play continues to be on the school development plan and the children are making the most of the resources on both school sites.

At Merrywood this week we have had out a recently donated massive Tarpaulin and a 5 man tent with a hole in it...the children have loved making shelters with both.

At Myrtle the children continue to use the pallets to make dens. We are re-introducing the drain pipes so the children can make a variety of things travel around the playground setting.

I also met with two parents this week about our shared orchard space and how we can utilise this all year round. They have great ideas for the space, we will now arrange a meeting with the Patchwork Community Group to ensure we have a shared vision for the area. More to follow soon!

**Donations** We continue to welcome donations on both sites.

Natural resources Netting Tarpaulins Fake grass off cuts Dressing up costumes Pipes / Tubes

Suitcases (with wheels)

If you have any products then please get in contact with Mr Potter from either site

## Coat swap

We are holding a coat swap/collect on Friday 14th October on our Myrtle site. Please bring in your good quality unwanted coats to either office before this date. For those families who do not have a coat to swap you can still choose a coat.

Please come along and help to recycle.

We already have a large number of coats in lost property, if they have not been collected by the 13th, they will be added to the coat swap.

Please contact me if you would like more details

# Year Group Updates

## Nursery

It's been another chocca week of fun in Seahorse class!

There's been quite a few birthdays this week, so we've been inspired with birthday parties... writing invites, making playdough food, and posting cards into our very own class postbox.

Great fun was had making and flying our very own kites, out in the windy autumn breeze! We loved watching them twirl, twizzle and swoop!

We've been learning our new friends names by playing whole class circle games; saying our names loudly and clearly and asking friends to dance.

Family photo reminder: please keep those family photos coming (our family tree is looking a little sparse at the moment!). We'd love to see more of your faces up there, peeking down at us. The children really do love having your photo close by and it's a great starting point for them to chat about their family.

Many Thanks from the Seahorse Team

## Reception

### Additional Information

#### Reading books

This week we will be giving out reading books for the children to take home. This will include:

- A reading record for you to make a note of when your child has read. Ideally, this will be a couple of times a week to get them used to reading at home.
- A practice book for the children to read to you. For the first few weeks, these will be books without words that the children can use as prompts to describe or tell you the story. After we have finished the first teaching block of phonics, we will be assessing the children and giving them an appropriate book with words to bring home.
- A sharing book for adults to read to the children at home. These are from our class collections so please do look after these and bring them back the following week to be swapped around.

A reminder that Jellyfish and Octopus class will be changing books on Wednesdays and Starfish on Tuesdays. We will be holding a phonics and reading meeting in the near future to explain how phonics works and how to read with children at home and we will announce this date ASAP, so please keep checking the newsletters for this.

#### Baseline assessments

These are now finished - well done to all the children! If you would like a copy of the reports, please see your class teacher who will be able to give you a copy of this.

Best wishes,

The Reception Team

Your online account has now been closed.

## **Year 2**

### **Learning**

What a busy week we have had in year 2! The children have been writing a wonderful Katie Morag story focusing on 5-star sentences and lots of description. They have drawn a stormy seascape and even got the instruments out to create a soundscape to help describe a setting. In maths they have been counting in 2s, 3s, 5s and 10s and building their understanding of tens and ones in 2-digit numbers.

### **Polite reminder**

Please can everything be labelled with your child's name. We have lots of lost property building that has no names in.

Please send your child in with a coat everyday as the weather is very changeable.

Many thanks The year 2 team

## **Year 4**

Dear Parents/Carers,

As part of our topic next term, Ancient Egyptians, we will be dressing up as Ancient Egyptians on the first Friday of the term (**4th November**).

Think: Pharaohs, Mummies, Egyptologists, scarab beetles - have some fun coming up with an Ancient Egyptian themed costume. If you can, please try and be environmentally friendly, and use things you already have at home.

Please do not feel obliged to dress up - this is for fun and we don't want to cause any stress. However there are some simple ideas to create craft (we will put links on google classroom) and in previous years the children have thoroughly enjoyed the day.

## Year 4 cont.

Thank you and have a lovely half term,

The Year 4 Team.

## Year 5

### Leopards class – Homework

It's been great to receive your work. Some great research done and well presented pieces. .

Please do not post homework on the chat stream in Google Classroom. It must be attached to your homework assignment.

Then I can track who's is whose and give private feedback to you.
