Happy Friday!

Remembrance Day... Today we observed a two minute silence across the school at 11.00 following an assembly about Remembrance on Monday and follow-up discussions in class during the week.

We used it as a chance to recognise and remember the courage and care of others of those affected by conflict over the last 100 years or so, to understand the significance of the poppy and reflect on the importance of remembering both in order to be grateful and also to learn from the past.

Children in Need... Next Friday (18th) is Children in Need day. I hope it goes without saying that we think this is a fantastic cause but we are also very mindful of the pressures on parents and carers this term to give donations and to dress up.

We are not therefore planning a whole school fundraising event, however if your child has official merchandise that they would like to wear to school on Friday they are very welcome to and would not be expected to donate to do so. If you would like to make a donation to Children in Need, we are setting this up so that it is possible to do so via parentmail if you wish to.

Finally... If you are heading to the Comedy Night this evening I hope you have a laughter-filled evening. Thank you in advance to the PTA for organising another stellar event!

Have a lovely weekend, Andy Bowman

When it rains...we build shelters!!! Massive ones!!!!

The children on both sites have had a wet week in the wonderful world of play. The huge puddle has been a great hit with the children at our Myrtle site. Less so with the parents I imagine when trying to dry out shoes!

Future projects

In the coming weeks we will have some lovely news about projects across both sites!! Watch this space!!

Donations

We continue to look out for quality pallets. If you have a van and drive past any quality, well built pallets then pull over and load them up!!! They can be dropped off at either site.

I have visions of building cubes from pallets and structures like this. All help gratefully received

Dig out those Odd Socks!

We are asking the whole school to wear odd socks on Monday (14th) for National Odd Socks Day. This is to launch Anti-bullying week, where each class will have an assembly on this year's theme of 'Reach Out'. They will also be doing activities around the theme and a display of their work will be put up on each site.

Sirona Health Update

We have been advised that due to increasing numbers of referrals, high caseloads and limited capacity long wait times for both initial assessments and ongoing care are being experienced. To manage this a review is being undertaken during which time there will be a delay in communicating referral outcomes to parents. Updated information can be found on the CCHP website <https://cchp.nhs.uk/explore-cchp/neurodiversity-advice-signposting>

The winner from Southville Primary School in the Clean Air Zone poster competition is Finley from Penguin Class! Their poster is shown to the left. Congratulations to Finley for winning this competition! We have displayed Finley's poster on a banner outside of the school at Myrtle site. A city-wide winner will be announced next week". All participants will be receiving a prize, regardless of whether their posters make it into the blog or not. They were all wonderful!

Polite Reminder regarding Medication

Should your child need to receive medication during the school day, please can you complete the "Parental agreement for school to administer medication form" and hand it, with the medication, to the office or class teacher. If you email, call or drop by the office, we'll provide the form for you to complete. Please **do not** put medication in your child's bag and ask them to notify the school. Medication has been known to fall out of bags and roll out of sight and children may forget to pass the message along.

Reception Parent Tours

Are you looking for a reception place for September 2023. Why not come and check out Southville Primary on a Parent Tour Tue 10th Jan 9:30 – 11:00. If you would like to book please email merrywood.southvillep@bristol-schools.uk or call 0117 3772671

Appeal for Music Stands

Would you have any spare music stands at home that you no longer use or need. The school would love to give them a new home. If you are happy to donate them, please drop them off at our Myrtle site – BS3 1JG

Thank you

Unfortunately, due to the heavy rains we've been enjoying for the last few weeks, the roof, just above the serving hatch in the Myrtle kitchen, sprung a leak. We served food from the main hall instead of the food hatch for the last 2 days. The engineers have now fixed the leak and we are back to normal, serving food from the hatch. The lunchtime preparation of food in the kitchen was not affected by this issue. We appreciate your understanding in this regard

Collins

ebooks

The eCollins subscription has been renewed and your children's reading books will be added back in to the portal shortly by their class teacher.

Year Group Updates

Nursery

This week we have started our small group times each day; where each child meets with their key worker adult and group of peers to complete a planned game or activity. It is great to see children enjoying these sessions. This week we have been singing songs and playing games to encourage use of each other's names, as we continue to build up confidence of new friendships. We have also been following instructions and taking turns while we enjoy a group game together (penguin pairs!), as well as exploring our 'loose parts' resources together to see how children choose to play with it together.

Seahorse Class resources amnesty: We have noticed that several of our collections of resources have been getting quite low. We realise it is often quite tempting for children to squirrel away the occasional item of 'treasure' into their bags! So, we would be so grateful if you happen to find a random, unfamiliar play figure, shell, or other item in your child's bag; we will happily welcome their return!

As part of our everyday routines and exploration, we like to encourage children to develop their own independence. We continue to support children while they take charge of their own belongings and begin to do more tasks by themselves. If you are able to encourage and practice putting coats and shoes on at home, that would be brilliant! We enjoy celebrating these successes!

Best Wishes from the Seahorse Team :)

A friendly reminder that the children should not bring any toys into school. Thank you for your support with this.

On Thursday afternoon Professor Daniela Schmidt will be coming in to talk to each class about her work in Antarctica. We love parents and family members coming in to share their expertise and experiences on our topic with us! Please contact the class teacher if this is something you would be interested in.

We are looking forward to seeing your Ancient Greek themed costumes on Tuesday in school. If you decide not to dress up then please come in school uniform.

Every Friday please remember to bring in Reading Records (for checking) and levelled books (for changing).

Year 6

Hi Y6 Parents and Carers,

The children have settled into term 2 and are busy learning about the Maya.

In maths we have begun our block investigating fractions. We have noticed that some children do not fully know their times tables and this is making work more challenging for them. If this relates to your child, please ensure they are making the most of TT rock stars or other apps. A good knowledge of the times tables is essential for progress in year 6 maths and the transition into secondary school.

Best wishes

Odd Socks Day

MONDAY 14TH NOVEMBER

This year we are holding Odd Socks Day with the support of Andy Day, CBeebies and CBBC star and front man of Andy and the Odd Socks. Odd Socks Day is a chance for schools to celebrate Anti-Bullying Week in a positive way by asking pupils and staff to wear odd socks to school. There is no pressure to wear the latest fashion or buy expensive costumes. All you have to do to take part is wear odd socks, it could not be simpler!

Lunchtime Choir

Some children have been enjoying singing with our choir during Friday lunch times, run and organised by Handfuls of Harmony, Miss Munnings and Miss O'Connor. The children have been working hard at learning the songs, ready for the performance on the Sunday 27th November. If your child has been attending choir and would like to join in on the performance, please return the letter to Miss Munnings or Miss O'Connor. Tickets for the performance will be available next week, to purchase from the Myrtle office, please have the exact money available as Myrtle Office will not have change.
