Happy Friday...

Parent Governor Elections... Please can I draw your attention to the letter which has been emailed to you with the newsletter today regarding our parent governor election.

We were delighted to receive excellent and varied nominations and are looking forward to welcoming one of the candidates to the governing body in due course.

All of the information you need, including information about each candidate and how to submit your vote, is included in the attached letter. Please note, voting will close on Monday 12th December at 7pm.

Communication... I want to acknowledge, and apologise for, recent confusion regarding the dates of Christmas lunches and some performances. All these dates are on the calendar on the website, however we made errors in how these were communicated with you this week and I understand how frustrating, not to mention confusing, that can be.

We are in the process of finalising a new communication strategy which will include some changes, and streamlining, of current channels of communication to avoid confusion (at both ends). It builds upon the recent switch to Parentmail and I will share more details of this with you next week.

Mr Carter... If you are a regular visitor to Myrtle, Mr Carter will be a familiar face to you as he is often the 'meeter and greeter' on the MUGA gate in the morning. Sadly, Friday 2nd December will be his last day with us as he will be leaving us to dedicate more time to his other career aspirations.

Mr Carter is a kind, caring and skilled person and he has been a wonderful member of the team. We will all really miss him, but in particular the year 5 and 6 children will be sad to see him go as they have benefitted the most from his kindness and patience over the last few years. I know you will join me in wishing Mr Carter all the best for the future.

Have a lovely weekend, Andy Bowman

Merrywood - Tuesday 29th November (from 8am)

Know someone who needs financial advice?

If someone is struggling to manage their money or are facing financial challenges, there is advice and support available.

They might be eligible to claim welfare benefits if they don't currently receive any.

They can use the council's benefits calculator to help find out what they could claim at:

<https://bristol.entitledto.co.uk/home/start>

Financial or debt advice is available from

Citizen's Advice Bristol (<https://www.bristolcab.org.uk/>),

North Bristol Advice Centre (<https://northbristoladvice.org.uk/>),

South Bristol Advice Services (<https://www.southbristoladvice.co.uk/>)

St Paul's Advice Centre (<https://www.stpaulsAdvice.org.uk/>).

Learning how mental health and money are connected might help if people are struggling. Sorting things out might feel like an overwhelming task and some of it may be out of their control, but they should try taking things one step at a time and reach out if they do need support.

There is lots of mental health support available too. People should talk to family and friends or contact one of a range of local organisations, including Bristol Mind

(<https://bristolmind.org.uk/>), Community Access Support Services

(<https://www.cassbristol.org/>) and Second Step (<https://www.second-step.co.uk/>) for help.

You are not alone.

More cost of living advice and support is available on Bristol City Council's cost of living support webpage www.bristol.gov.uk/costofliving or people can call the We Are Bristol helpline for free on 0800 694 0184, Monday to Friday 8.30am to 5pm.

Saving money on energy bills

With the rise in energy prices, we know many residents are concerned about how much their bills will go up.

While it has been milder for this time of year, here are just a few tips that may help to reduce energy bills.

People can also check if they're eligible for help at www.bristol.gov.uk/benefits-financial-help

- Turn appliances off standby mode and you could save around £55 a year.
- Use your washing machine on a 30-degree cycle instead of higher temperatures.
- Be careful in the kitchen – avoid overfilling the kettle and only boil the amount of water you need.
- Keeping your shower time to just four minutes could save a typical household £65 a year on their energy bills.
- Avoid using the tumble dryer and dry clothes outside or on racks where possible to save around £55 a year.
- Only run your dishwasher when it is full to reduce the amount of water you use.

Don't forget about the city's network of Welcoming Spaces too. These are places where people can socialise, keep warm and access support relating to the cost of living.

Find a full list of Welcoming Spaces here: Cost of living support (bristol.gov.uk)

Lunch Booking on Parentmail

Merrywood – Universal Free School Meals

We are seeing a big uptake in the school lunches being booked through the ParentMail App, thank you all, this is really helping the kitchen cut down on food waste. To avoid upset at lunchtime, please can you check your child is happy with the lunch option you have chosen or happy with the hot option if you haven't had a chance to book their lunch. Children can get upset at lunchtime when faced with something unexpected that they don't like, this results in a change of mind which can lead to the kitchen running out of certain options and not being able to provide those to children who have booked them.

Preschool and Myrtle – Paid School Meals

Please can we remind all parents that school meals must be booked and paid for in advance on Parentmail, including free school meals. Note, you can order meals for up to a term in advance to save you having to login multiple times.

Thank you to all parents who have been paying for school meals on Parentmail. We really appreciate your continued support with this. Please note, children will not be provided with a school lunch unless it is paid for, except for those that are entitled to free school meals.

In a case when a school lunch has not been booked nor a packed lunch provided, the office will phone the parent to ask them to come to school with the money. Otherwise they must provide a packed lunch before lunch time.

If a parent genuinely forgets to pay in advance, the office will book the school meal but this must be paid for on the day. If the debt is not cleared, parents must provide a packed lunch until this is cleared. If payment of the debt is not received, we will ask you to attend a meeting to discuss the matter.

Thanks you!

Year Group Updates

Nursery

We have made the most of the rainy weather this week in Seahorse Class; some of us made some boats and tested them out in the wet weather! We have been having some pirate fun too; making and colouring some fantastic treasure maps and digging for treasure in our tray of sand!

At the beginning of the week, we were lucky enough to go and visit the fire engine that was in our front playground for the Y2 children.

This week in our small group times we have been practising our counting skills, mark making and also some ways of joining in with play, as we invite others to take part in our activities.

Best wishes from the Seahorse Team.

Additional Information

Performances

A reminder to please send in your child's costume in a named bag on **Monday 28th November**. These will be kept in school until after the performances.

Herbs

We would still love some donations of herbs if you have any!

Theatre trip walking volunteers

Please let us know if you are available to walk the children there and back from the theatre performance on the 15th December.

Year 1

Winter performance

Thank you for all your great support helping those children who requested speaking parts to learn their lines for our winter play. We have been really impressed with so many children knowing their words by heart already.

Information about costumes required has been sent out in reading diaries. Please ask your child's teachers if you are not sure what costume they need. All Costumes for the play need to be named and brought to school in a NAMED bag for **Monday 5th December** please. Thank you for your help.

Walkers for the Old Vic Christmas show

We are still in need of parent helpers to help walk us to and from the Old Vic on Friday 15th December when the children will be visiting. Please contact the office or speak to the Year 1 teachers if you would like to lend a hand walking us to and from the Old Vic, unfortunately we cannot provide parents with a ticket.

Year 3

Year 3 have been impressing us with their brilliant singing this week, for our upcoming Christmas Carol Concert in St Paul's Church. If your child is keen to practise at home, lyrics for the songs can be found on Google Classroom. The Carol Service will be on Thursday 8th December at 5pm (more information to follow). We cannot wait, for what is always a very festive and heart-warming occasion!

Polite reminder: please can you continue to fill in your child's reading record every time you read at home. It is extremely useful for us to know how much your child is reading, and whether they are ready to change their books. It is also an easy way of collecting some extra house points!

Year 4

Dear Year 3 & 4 parents/carers,

The children have been enthusiastically practicing Christmas carols, and we now have confirmed dates and timings for our Carol Service and rehearsals at St.Paul's Church, Southville.

The Y3 and 4 Carol Service will be on Thursday 8th December 17:00--18:00. Year 3 and 4 parents/carers are invited to this event you will not need a ticket to attend.

There will be rehearsals at the church, during school time, on the afternoons of Monday 5th and Wednesday 7th -- for these rehearsals we will need parent helpers to walk us to, and back from, the church. Please let the office know if you would like to help.

Further details regarding permission and times to drop off and take the children home will be sent out very soon. The lyrics will be on Google Classroom, and we will recruit Year 4 'readers' next week!

Many thanks,

LKS2 at Southville Primary School, Myrtle St.

Year 5
